1. "Basic pay is reduced for _______ year. He will not earn increments during this period. On expiry of this period, the reduction will have the effect of postponing future increments." as stated by Section (vi) of the No. 15962/2016-17 dated 14-04-2016. The reduction will be calculated as follows:

- If the pay is reduced for 1 year, the increments will be postponed for 1 year.
- If the pay is reduced for 2 years, the increments will be postponed for 2 years.
- If the pay is reduced for 3 years, the increments will be postponed for 3 years.

Section (vi) of the No. 15962/2016-17 dated 14-04-2016 states:

"Reduction to a lower stage in the time scale of wages or pay for a specified period, with further directions as to whether the Corporation servant will earn increments of wages or pay during the period of such reduction and whether, on the expiry of such period, the reduction will or will not have the effect of postponing the future increments of his wages or pay".
II. "Basic pay is reduced for .............. year. He will not earn increments during this period. On expiry of this period, the reduction will not have the effect of postponing future increments" occurs. The span of the period is indicated above.

1. The revised monthly pay will be paid at the beginning of the month. This action will be就算是tras.

2. The revised monthly pay will be paid at the beginning of the month. This action will be就算是tras.

3. The revised monthly pay will be paid at the beginning of the month. This action will be就算是tras.

As if there is no punishment, the revised monthly pay will be paid at the beginning of the month. This action will be就算是tras.
