Selection of Project Management Consultants for implementing

Intelligent Transport System (ITS)

Request for Expression of Interest

EOI Ref: KSRTC/ITS/Mysore/002/2010 dt: 07-09-2010

Due by: 3:00 PM on 28 -09 -2010

Country: INDIA

Project ID: P100589

Name of the Project: Providing Project Management Services for Implementation and Monitoring of Intelligent Transport System [ITS] for Karnataka State Road Transport Corporation [KSRTC], Mysore

GEF Grant No. TF095549 - IN

- This Request for Expression of Interest follows the general procurement notice for this project that appeared in Development Business issue on 01-10-2008.
- The Government of India has received a grant from the Global Environment Fund (GEF)/ International Bank for Reconstruction and Development and intends to apply part of the proceeds of this grant to payments under the contract. The project will be funded by Global Environment Fund (GEF) / World Bank, Government of India, State of Karnataka, and KSRTC
- KSRTC intends to deploy Intelligent Transport System at Mysore to provide real-time bus-travel information to commuters, management and the operating staff. This project is planned to cover 500 Buses, 105 Bus Stops, and 6 Bus Terminals and 45 Platforms.
The core components of the ITS will be Automatic Vehicle Location Information System (AVL-IS), Passenger Information System (PIS), covering Information Display signages: in-vehicle, at bus stops and bus stations, and Central Control Station (CCS) applications and services including GIS, riding on wireless networks and being fully web-enabled. The overall scope of the ITS implementation will consist of design, development, testing, installation, commissioning, training, operations, and management of facilities of ITS in a period of three years including implementation, operation and exit.
KSRTC seeks to hire Project Management Consultants (PMC) to assist with ITS implementation and monitoring. Key activities envisaged in this regard are (i) review of solution specification and development plan; (ii) review of architecture and high level design; (iii) solution development support; (iv) assistance with solution integration with external systems; and (v) transition planning and system roll out. The Project Management schedule requires to be aligned with the implementation schedules of the Intelligent Transport System (ITS) at Mysore. The expected duration of the project management consultancy is expected to be 14 months from the date of award of the contract. The consultant should set up a full-time project office in Mysore for the entire duration of the Project implementation
- KSRTC now invites eligible consultants to indicate their interest in providing the services for monitoring and managing the Intelligent Transport System (ITS) implementation at Mysore. Interested Consultants must provide information indicating that they are qualified to perform the services.
- The consultant will be selected in accordance with the procedures set out in the World Bank's Guidelines: Selection and Employment of Consultants by bank borrowers-May 2004 Revised October 2006.
Project Management Consultants will be short listed on the basis of their past experience of handling similar types of projects/assignments, strength of their key personnel and financial strength of the consultants/ firm/ Association.
The short listed consultants based on the preliminary data will be evaluated against the actual proof submitted during the RFP bid stage and a final evaluation done on the Technical and Financial bid as detailed out in the RFP.
- Interested Consultants may obtain further information at the address given below
Name of officer : R. Nagaraja Rao
Name of office : Controller of Stores and Purchases
Postal address : KSRTC, Transport House, K.H.Road Bangalore 560027, Karnataka, India
